

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I am opposed to any rule changes that will weaken or eliminate the protection of public interest, specifically changes to the cable ownership cap and broadcast/newspaper cross ownership.
